

Day 13

Pandas : Rename and Replace

Rename : Changing the name of a column or a row index.

<https://pandas.pydata.org/docs/reference/api/pandas.DataFrame.rename.html>

<https://www.marsja.se/renaming-columns-in-pandas-dataframe/>

Replace : Changing an already given value to a new value.

<https://pandas.pydata.org/docs/reference/api/pandas.DataFrame.replace.html>

<https://www.geeksforgeeks.org/python-pandas-dataframe-replace/>

Tutorial by Mr. Sharan Kumar:
